Press release

Biophytis announces the drawing of the second tranche of ORNANE under the 2021 Atlas Contract for €4 million

Paris (France), Cambridge (Massachusetts, U.S.), June 30th, 2022, 11:00 pm CET – Biophytis SA (NasdaqCM: BPTS, Euronext Growth Paris: ALBPS), a clinical-stage biotechnology company focused on the development of therapeutics that slow the degenerative processes associated with aging, including severe respiratory failure in patients suffering from COVID-19, today announces the issuance of the 160 Bonds Redeemable in Cash and New and Existing Shares (ORNANE) for a total amount of €4 million under its existing convertible bond agreement with Atlas, a specialized investment fund based in New York (United States) for €32 million (the "2021 Atlas Contract").

On June 14, 2021, Biophytis announced a convertible line of €32 million from Atlas. The financing instrument allows the issuance of 1,280 ORNANE, at a par value of €25,000 each. The €32 million total financing are to be drawn by Biophytis over the following 3 years, through 8 successive tranches of €4 million each. This is the second drawing from this instrument.

The Company will keep the shareholders informed of the exercise of the ORNANE issue warrants and the subsequent conversions, through a summary table of issue warrants, the ORNANE, and the number of shares in circulation, which will be available on the Company website.

Reminder of the main characteristics of the 2020 Atlas ORNANE contract issued

The ORNANE do not bear interest and have a 24-month maturity from issuance. The holder of ORNANE may request at any time to convert them during their maturity period, and at that time the Company will be able to redeem the ORNANE in cash. In case of cash redemption, the amount reimbursed will be limited to 115% of the principal.

Number of securities and dilution (assumptions)

As of June 30, 2022, based on 163,823,503 outstanding shares, assuming conversion on this day and a conversion price equal to 97% of the pricing period VWAP of €0.1006 dilution is reflected as follows:

Impact on a shareholder's 1% stake in the Company's capital prior to the transaction	Non diluted	Diluted
Before issuing of new ORNANE	1.00%	0.95%
Upon conversion of the ORNANE from 8 of Atlas: issuing of 39 776 903 additional shares	0.80%	0.77%
