Press release

Biophytis strengthens its management team

- **Appointment of Chiara Baccelli as Director of Pharmaceutical Operations and Quality Assurance**
- **Appointment of Nicolas Fellmann as Chief Financial Officer**

Paris (France), Cambridge (Massachusetts, United States) May 2, 2023 – 08:00 AM CET – Biophytis SA (NasdaqCM: BPTS, Euronext Growth Paris: ALBPS) (the “Company” or “Biophytis”), a clinical-stage biotechnology company specialized in the development of therapeutics that slow the degenerative processes associated with aging, including severe respiratory failure in patients suffering from COVID-19, announces today the strengthening of its management team with the appointment of Chiara Baccelli to the newly created position of Director of Pharmaceutical Operations and Quality Assurance and the upcoming arrival of Nicolas Fellmann as Chief Financial Officer as of 22 May 2022. He will replace Philippe Rousseau who is leaving the company to pursue other projects.

Stanislas Veillet, CEO of Biophytis, said: *“As we move forward to placing Sarconeos (BIO101) on market, we are pleased to strengthen our Management Committee by welcoming Chiara as Director of Pharmaceutical Operations and Quality Assurance. She brings over 20 years of diverse experience in the production of pharmaceutical products in both the pharmaceutical and biotechnology industries. Nicolas, on his side, brings a strong knowledge of the pharma and biotech sectors and key skills in financing, M&A, commercial transactions and partnerships, as well as management of listed companies, we are thrilled to welcome him.”*

Chiara Baccelli, PharmD, PhD, MBA, holds more than 20 years of experience in the development and production of pharmaceutical products, especially from natural origins. After a first experience in academic research, Chiara has worked during her career for UCB in Belgium, for the French group Delpharm, the company Bioprojet and also for the consulting firm IDD in France in collaboration with large pharmaceutical groups such as Boehringer Ingelheim, Ipsen, Sanofi, Nemera, Harmony Bioscience. She has covered different roles around the development of innovative products, from CMC to Quality Assurance and Control, Industrialization and Regulatory Affairs. She holds a PharmD from the University of Pisa in Italy, a PhD in Pharmaceutical and Biomedical Sciences from the Catholic University of Leuven in Belgium and a MBA in Innovation and Strategy from IRIIG in Lyon.

Nicolas Fellmann holds more than 30 years of experience in finance and healthcare. Before joining Biophytis in the coming weeks, Nicolas was Chief Financial Officer of BioAlliance Pharma and then of Onxéo, a company listed on the Paris Stock Exchange and Nasdaq Copenhagen. He worked for more than 10 years in financial functions at Pfizer in France after starting his career as an auditor at Ernst&Young. Nicolas Fellmann is a graduate of EM Lyon Business School.

Press release

Besides, for personal reasons, Mr. Dimitri Bastis has decided to resign as member of the Company's Board of Directors.

About BIOPHYTIS

Biophytis SA is a clinical-stage biotechnology company specialized in the development of therapeutics that are aimed at slowing the degenerative processes associated with aging and improving functional outcomes for patients suffering from age-related diseases, including severe respiratory failure in patients suffering from COVID-19. Sarconeos (BIO101), our lead molecule drug candidate, administered orally, has completed a Phase 2 clinical trial as a treatment for sarcopenia in the United States and Europe (SARA-INT) with positive results. Biophytis is currently in discussions with regulatory authorities to initiate a Phase 3 study. Sarconeos has also obtained positive results from a Phase 2-3 clinical trial (COVA) for the treatment of severe respiratory manifestations of COVID-19 in Europe, Latin America and the United States, and has initiated the regulatory process to obtain early access in France and conditional marketing authorization in Europe and the US. A pediatric formulation of Sarconeos (BIO101) is being developed for the treatment of Duchenne Muscular Dystrophy (DMD). The Company is based in Paris, France, and Cambridge, Massachusetts. The Company's ordinary shares are listed on Euronext Growth (Ticker: ALBPS -ISIN: FR0012816825) and ADSs (American Depositary Shares) are listed on Nasdaq Capital Market (Ticker BPTS – ISIN: US09076G1040).
